

### Personal Data Protection Law

At Grupo ORBIS and its subsidiaries (among others Pintuco, Andercol, Inproquim, Cacharrería Mundial, O-tek, Centro de Servicios Mundial, from now on the Companies) we ensure the adequate use and confidentiality of the personal data provided for the development of our commercial activities. In light of this and as responsible for the use of the personal information, we abide by **Law 1581 of 2012, Personal Data Protection and its Decrees and Regulations, by placing at your disposal our Privacy of Company Data Policy.**

We request authorization for the use of the personal data for those with whom we have commercial or transactional relations.

### Authorization for the use of personal data

By signing this document I declare that I have been informed by GRUPO ORBIS S.A and its subsidiaries (from now on "Companies"), that:

i) The Companies will be responsible for the processing of the personal data of which I hold title and that, together or independently, may collect, use and process my personal data in accordance with the Companies' Policy for Processing Personal Data of the Companies; ii) answering questions about Sensitive Data is optional; iii) my rights as title holder the information are provided by the Constitution and the Law, especially the right to know, update, rectify and suppress my personal information, as well as the right to revoke consent given for processing personal data; iv) the Companies will guarantee confidentiality, liberty, safety, veracity, transparency, access and restricted circulation of my data and reserve the right to modify their Policy for Processing Personal Data at any time. Any change will be informed through a massive publication through the media that the Companies consider pertinent.

In view of the above, I give free, prior, explicit, informed and unequivocal consent to the Companies to process my personal data in accordance with Colombian law and its Policies for Processing Personal Data. This authorization includes the following; authorization to collect, store, share my information among themselves or with third parties and provide data, regarding the fulfillment or non fulfillment of my legal and contractual obligations directly or indirectly through the public entities that carry out supervision and control functions; all of the above for the exclusive purposes related to their social object and especially for legal, contractual, commercial purposes described in the Companies' Policy for Processing Personal Data of the Companies
